

5th Grade Parents.....

WE NEED YOUR PARTICIPATION

Fundraising for the 5th Grade Camping trip (May 16, 17 and 18) has begun in earnest and we can use your help. **It is important that all 5th grade parents participate so that we can contain the cost of the 5th grade camping trip to the amount covered by the 5th grade dues. You may sell, donate or volunteer time – or better yet, do all 3!** We are putting together a Super Bowl Basket that will be raffled off on February 2. Last year our Super Bowl Basket Fundraiser raised more than \$1,000!!

Here's what is needed:

Step One:

- **Donate items** to put in the basket such as: chips, dips, snack foods of all kinds, gift cards (state store, WaWa, Genuardi's, Acme, restaurants that do take out) wine, beer etc., sports paraphernalia.... Basically any sort of party food or items that you might want to have at a Super Bowl Party.
- **Donated items** should be brought to Teacher Barbara's room(Room 213). Your children can bring in the items unless alcohol is involved. If it is, it would be better for you to deliver it yourself.
- **Donated items should be received by Teacher Barbara by January 24.** That way we can display our basket in the front office.

Step Two:

- **Sell raffle tickets** to friends, families and neighbors.
- **Buy raffle tickets yourself.**

All raffle tickets and \$ are due in by Thursday, February 2.

*******This is important because the funds raised go directly to the cost of the 5th grade camping trip. Last year we reduced the cost of the camping trip by more than \$40 per child (which allowed us to charge \$75 for the camping trip – the amount currently allocated for the trip out of the 5th grade dues. We need every 5th grade family to participate if our fundraising is to be successful.**
