

# Want better educational opportunities for your child?

## WHO SHOULD APPLY?

Students of color in grades five through ten, who are in the top 10% of their class, with strong recommendations and a grade average of a B or better.

We do not provide scholarships, but do specialize in helping families access the best educational opportunities available. Please contact us right away to discuss school options for the next school year. The application process begins approximately a year before placement and is very competitive.

A Better Chance is the preeminent resource for identifying, recruiting and developing leaders among people of color throughout the United States. Through A Better Chance's oldest and largest program, the College Preparatory Schools Program (CPSP), highly motivated students of color are recruited for placement as A Better Chance Scholars in outstanding independent and public schools across the country.

Since A Better Chance was established in 1963, more than 12,000 students have benefitted from the A Better Chance experience. Through the strength and quality of their education, our graduates have achieved success in many professions, making significant contributions in every walk of life. A Better Chance Scholars become part of a very special "family" which provides support, encouragement, and a variety of academic, personal, and career development services during their high school years and beyond.
