

Come One, Come All...

➔ Middle School Math Carnival ➔

Wednesday, October 19th
6:00 – 8:00 pm
in the 3rd floor math wing

Games  Prizes  Food  Fun

Parents and other family members, join your students for a night of mathematical fun playing games from our math problem solving curriculum!

*** All students must be accompanied by an adult. This event is for middle school students only ***

Connected  Mathematics 2

Help Needed from Middle School Families!

- We are seeking donations of healthy drinks (100% juice or water) & snacks (popcorn, chips, baked goods) to sell at the carnival. Snacks and drinks should be individually packaged for easy resale! Use this online sign-up form (<http://tinyurl.com/3q66kuc>) to let us know what you can contribute or call/email jennyh@icscharter.com, x2500.
- We are also in search of some fun-loving parents who would like to coordinate the post-Walk-a-Thon picnic on October 22. Our veteran parents will be able to give you a quick how-to workshop and it will be easy as pie! Contact Kerry Routh (kerryr@icscharter.com) if you want to ensure that our road-weary walkers get to celebrate their achievement!

Que venga uno, que vengan todos...
