

Club Day: Monday
Grades: 2 – 5
Time: 4:00 – 5:00

After-School Science Club at Independence Charter School

Crime Scene Capers:

Become a Science Explorers CSI ! Each week a new suspect will be uncovered and we'll use forensic techniques to solve the mystery of "Who Done It". Lift fingerprints, complete an analysis of unknown substances, conduct simulated blood testing and use a black light to reveal glowing evidence. See if you'll be the one to crack the case!

Super Duper Product Sleuthers!

Come join our scientific research team! Which potato chips are the crunchiest? Which cookies have the most chocolate chips? Which bubble gum makes the biggest bubbles? What popcorn pops the most kernels? Test these products and more as we use scientific methods to enter the world of quality control!

Penciltopia Animation Club at Independence Charter School

Penciltopia is a filmmaking experience that enables children to collaborate on their own stop-motion animated short films. Children learn to tell a story visually. From writing a script, to building sets to modeling characters out of clay, kids are active participants in the film making process from start to finish. Want to learn more? Feel free to visit www.penciltopia.com.
